## NUMERICAL INDEX OF ND WING SUPPLEMENTS, OPERATING INSTRUCTIONS, AND PAMPHLETS

This is an index of regulations, manuals and pamphlets by classification, date, title, and office of primary responsibility (OPR) at North Dakota Headquarters Civil Air Patrol. The most up-to-date publications are on the North Dakota Wing CAP website. This Index will now be updated with every change to a listed publication. New and revised publications are indicated only by shading and not listed separately. When publication reengineering causes numbering duplications, the old publication will be marked as interim (I) and will be renumbered when it is rewritten. The most up-to-date publications and forms are on the North Dakota Wing website (<http://www.ndcap.us>).

**Note: Shaded areas denote new or revised supplements.**
